

BACHELOR IN ECONOMICS AND MANAGEMENT

Bachelor's degree offered by Université Toulouse 1

Partner institution

Faculty of Economics, Vietnamese National University HCMC

Description

This undergraduate program aims to give students a solid knowledge in the basics of Economics and Management. The degree course is clearly business management oriented. With this BA, designed to international standards, students will be able to continue on a master's degree programme or embark on a business career where graduates will have the skills to become operational rapidly. Students will have the opportunity to work in a number of different fields; as an economist or manager, in banks, insurance companies or European and international organizations.

Training scheme

This program is delivered full-time on campus and in English.

The full-time program consists of 3 years and a 10-week preparatory course aimed at improving students' English and giving them some basic skills in French language.
